

## IN THE CIRCLE OF LIFE

*Alexandra Riffler*

I am BEGINNING...I am ENDING...  
...infinity without time.

The root – the source –  
eternity...  
...that rises from the deepest deepness,  
silently remains  
in the endlessness.

An ocean deep,  
a rushing river,  
nourishes life forever...  
– a flow...pulsating...  
...like an endless drop...  
...nothing can stop.

The light of the sun,  
that colors the air...  
...the sound of the wind  
– whispers:  
Be – the secret of life – aware.
